

Dog Adoption Wish List

All "wishes" will be filled on a first come first serve basis. We will give one call to a potential adopter, if we have to leave a message we will make one more attempt to reach you within that day, and then go to the next adopter. You must also realize you are competing with "walk in" adopters at the Matsu shelter. If this dog is available it is your responsibility to go to the shelter and fill out adoption paperwork. Advocates for Dog and Puppy Wellness is offering this "Wish List" as a courtesy to our members.

You may fill out a "wish" for more than one breed, in order of preference. (Maximum of 2 breeds)

We keep "wishes" on file for 30 days, then you must resubmit.

Membership is required for us to process your "wish", please register online thru Paypal. (You do not need a Paypal account to use our Paypal button) Your membership is tax deductible.
