

HELP YOUR SHELTER WITH OUR FREE BROCHURES!

Our brochures will help bring awareness to your local shelter. If your shelter has a volunteer program as well, we will send volunteer brochures for your distribution, too.

Brochures can be distributed anywhere! Favorite coffee shops, your doctor's office, your dentist's office, your veterinarian office, anywhere you think will help increase traffic to your shelter.

We have raised enough awareness here in Alaska for our local shelter to even put radio ads out to bring more people to our shelter, our adoptions have gone up, and our shelter received the "no-kill status" for one full year, and going strong!

We hope to read about your successes for your shelter, too!

We ask that you sign up to be a member of Advocates for Dog and Puppy Wellness, so that we can keep you posted on new ideas, and offerings for your shelter. Our membership is reasonable, \$10.00, and it is tax-deductible!

*Please go to our membership button to use Paypal, OR you may sign up and send a check or money order to the address below. **Do not forget to include the name, address, and phone of the shelter you would like to bring awareness to.***
