ALL DOG BREED TALENT SHOW

Costumes are permitted and encouraged!

ALL dogs must be on a leash, unless doing an agility trial once inside the ring.

Each pet owner will enter the ring with dog at their side and present the dog in a sitting position.

Once the MC begins speaking about the dog, the owner will parade them twice around the ring, and return the dog to a sit position.

Each pet owner is asked to provide the MC with a small 5x7 card with the following information on it, when they enter the ring on the day of the event.

Name of the dog

Where did you get your dog from? Rescue? Breeder? Friend? Family?

What is the breed of your dog?

What is the energy level of your breed?

If your dog was a rescue, what talents did he/she come with? What have you taught them?

If your dog is a purebred what is the most unusual trait your purebred dog has that you would not have expected from this breed?

**Is your breed of dog used for something other than what it was bred for? Ie. Shetland sheepdog (herder)
Registered as Pet Therapy dog in a hospital**

What are your favorite things to do with your dog?

What is your favorite spot to take your dog in the city or the country?

Do you belong to any groups that have unique exercise ideas for you and your dog?

Any additional things you would like people to know about your particular dog, it can be breed specific, personal, or quirky! Have fun with it!

*****If you would like to show off talents of your dog, please let us know what types of trials you and your dog participate in and we will try to accommodate, if area, and size permits.*
